Please note that the Swedish sled dog sports association has not updated the classes in the competition calendar based on current regulations for skijoring 2 dogs (SML2, SWL2) or skijoring 2 dogs sprint (SM2, SW2), therefore we will use other designations for these classes.

If there are less than three participants per class, men and women will be combined into a mixed class (this refers to classes SM1, SW1, SM2 and SW2)

Sign-up: via draghundsport.se if you compete for a Swedish club and have a FID number. Otherwise: send an email to board@jfhsk.se with your name, contact details, class(es) you wish to compete in & type of dogs. You will receive a sign-up confirmation email back.

Note: when competing for a foreign club you need to show a proof of insurance when registering at the race office.

Latest registration day P4: 15 December 2024

Latest registration day other classes: 29 December 2024

Late entry: with late entry (latest 6 January 2025) an extra fee of 150SEK is applicable.

Entrance fee payment: to Jämtlandsfjällens Slädhundklubb. Payment should be received by us latest 29 December 2024. Mark payment with name & class. Plusgiro: 634 23 68-5 / Swish: 123-5375597

Payment from foreign account:

IBAN: SE95 9500 0099 6042 6342 3685

BIC: NDEASESS

Race rules:

The race is held under IFSS rules, plus Swedish additional rules.

Parking:

It is great with so much interest for the race but the parking will be tight. So help us and yourselves by parking smart, not putting out large stakeouts and following the instructions by our volunteers. We will try to park the largest teams closest to the start but cannot promise you any special parking space. Just be a bit patient and kind and we will sort you out.

Race office, opening hours & registration requirements:

Friday 17:30 - 20:00 hrs > MD teams obligated to register during this time slot as your start is early Saturday morning.
Saturday & Sunday: 08:00-11:00 > Sprint/skijoring teams (note: closed during musher meetings).

The race office is located in the same building as the restaurant (see signage on-site). Start numbers can be collected upon showing vaccination paperwork, registration certificate (those of you with Green Card competing for a Swedish club) or insurance certificate (participants competing for foreign clubs associated with IFSS) and submitting chip lists.

Additional requirements for those running Siberian Huskies and wanting to collect merit points for becoming Swedish working dog champion: a copy of foreign dogs' pedigrees & form signed by the participant (dogs should be minimum 18 months). For questions about merit points qualification, contact Camilla Engvall directly.

Trails & markings:

Trails will be marked with red and blue turning and confirmation signs with class notification on them, according to IFSS rules. At places we consider it necessary we will close off parts with crossed marker sticks and/or barrier tape. More information about the trails will be provided at the musher meetings that are mandatory to attend (no attendance at the musher meetings = no start).

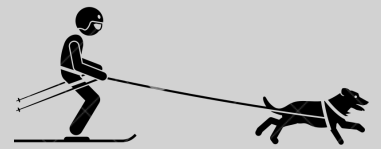

No training on race trails on Friday after 14:00hrs and on Saturday after 18:00hrs as we close the tracks for preparations for next days' races.

Prize ceremony:

Takes place in or directly outside of the restaurant on Sunday January 12:

- MD & P4: ca. 14:00hrs

- Skijoring (besides P4) and sled sprint classes: ca. 17:00hrs
